St. Vrain Christmas Walk

Light the Path

Let’s continue the Christmas walk. Together.

The magic starts in our own backyards.

About 90 homes touch the path between Sage and Saddleback.
Your lights, generosity and time can keep this tradition shining.

01 Add your light

Decorate your path-facing backyard or fence for December. Simple is beautiful! Power your display, or offer electricity for shared lights. Find your house on the site and commit.

02 Give a little

Community gifts help cover permits, installations, upkeep, replacement lights and cords, shared decorations and special family nights. Every contribution helps share the effort.

GIVE → Pledge your support

03 Be a sponsor

Bring your business into a wholesome holiday tradition. Offer cocoa or treats, arrange a fence banner, donate supplies or sponsor costs. Connect with families while giving back.

SPONSOR → Share your idea

04 Lend a hand

Deliver flyers, hang lights, help on event nights or pack up in January. Join the planning team so this tradition lasts beyond today’s organizers. Even one evening helps.

VOLUNTEER → Choose your role
